FAQ

Is there a non-compete Yes. All delegates are required to sign a Delegate Agreement that includes a non-compete provision. We want our titleholders to be fully present and invested in their United World journey.

Is there a ticket or ad sales requirement? No. Ticket and AD sales are encouraged but neither is required.

Are appearances required for at-large delegates? No. While appearances are encouraged, they are not required. We do ask that delegates are active on social media throughout their reign.

When will I receive my crown and sash? Crowns typically take 4-6 weeks for production and sashes approximately 2-4 weeks. Both are custom made to order and are released for fulfillment once the applicable payment level has been completed.

When do Finals tickets go on sale? Typically, approximately four weeks before pageant weekend. Delegates will be notified when tickets become available. All spectators, including family and friends, must purchase a ticket.

Will the pageant be livestreamed? Our intention is to offer a livestream of International Finals. Additional information will be provided closer to pageant weekend.
